Plot: 549(m<sup>2</sup>)

### Description

Walking distance from all necessary amenities including a business center this location is ideal for those looking to be close to modern day living and yet set in the quaint, tranquil and traditional Cypriot village life. This plot is on an elevated position offering unobstructed views of the rolling hills of Cyprus, with the Troodos mountains and the Polis Chrysochou coastline in the distance.

The plot is ideal for a beautiful home, a positive investment and/or a development of your choice.

For added security the Title Deeds will be put into your name upon purchase.
