 Bedrooms: 2
 Bathrooms: 2

Description

Chloraka Sunset View is our desirable project set along the picturesque coastline of Chloraka village. It is situated in a highly sought after area being only a 5 minute scenic drive into Pafos & 10 minutes to Coral Bay, where you can find all the necessary amenities & facilities as well as fabulous sandy beaches. Although it is set back from the main road, only 300 meters from the beach; a bus stop & local restaurants are within walking distance. It offers nine 2 and 3-bedroom 2-storey villas on large plots with optional extra swimming pools & private parking. Four of the villas have 2 bathrooms (family bathroom & shower on ground floor) and 5 have 3 bathrooms (family bathroom, en-suite & WC on ground floor). Sumptuous, sweeping views of the sea & mountain views to the rear make this project the enviable choice for either residential or holiday use.
