Description

Perhaps our most unique and exclusive opportunity yet. A chance for you to experience real Cypriot life. Set in a peaceful secluded location in the heart of historical Pafos, adjacent to the municipal park, surrounded by charming heritage buildings.

Superb for holidays or permanent living, rental or investment, this small development of beautiful apartments will be built in a more traditional style to complement its surroundings, whilst offering all the luxuries of modern living. Sauna, Jacuzzi and indoor pool with changing facilities are all on site. Communal roof garden, large verandahs, superb views (some prime unobstructed sea views) and of course, designated parking for each apartment. There are also the additional benefits of smart granite worktops to grace your kitchen, provision for satellite television and security system, plus very useful individual store rooms for each apartment.

Stroll to traditional markets and shops - buy delicious fresh food, browse antiques. Sip real coffee or savour the local wines in pavement cafes. Wander through the cool and tranquil park. Visit galleries and cultural

buildings. All on your doorstep.
