Description

Completion date: December 2010

This small, select development of detached spacious villas offer excellent value for money. Elevated, easily maintained plots give commanding and unobstructed views over farmland, but more importantly over the Pafos coastline and the magnificent sunsets the western area of this island is famous for. Situated in a quiet area on the outskirts of Geroskipou close to a country road leading to the village of Konia and all the beautiful rural natural beauty of Cyprus beyond. You also will be within easy reach of all the amenities of Pafos and of course, the airport.

The blue flag beach of Geroskipou and the village centre with various friendly tavernas and restaurants offering mouth watering menus, is only a 3 minute drive away. Generous-sized open plan living downstairs offers light, air and space to breathe. A marble staircase leads to 3 double bedrooms and 2 bathrooms (ensuite to master plus family bathroom). There is the added benefit of a downstairs cloakroom. An upstairs verandah

overlooks your own 4 m x 8 m swimming pool and generous patio area. Granite worktops and provisions for satellite television are included. The properties also have an attractive stone feature, as do the boundary walls on the development. Perfect for investment or holiday and an absolutely ideal choice as a permanent home.
