#### Description

This is a project comprising of six luxurious apartments situated in a very quiet neighbourhood of Chlorakas village. Built to a unique design but with our usual high standard of finish,it represents a sound investment due to its competitive prices.

This small quality development is situated in a quiet residential area of Chlorakas village. There is a good supermarket nearby along with all other facilities such as banks,chemist,schools,bars and restaurants. Golf is offered in the nearby village of Tsada. Safe bathing and water sports are available at the nearby Coral bay,and all these amenities are just a few minutes drive away.
