Description

Situated in the heart of Pafos, in a quite and tranquil residential location, set in luscious greenery and with unobstructed panoramic views of the Mediterranean Sea, this unique project is only walking distance from the old town, shops, banks and other amenities. Designed in a way to enhance the natural physical beauty of this protected area, Pafos Panorama comprises of 3 blocks, 1 two storey and 2 three storey consisting of studios, 1 & 2 bedroom apartments.

The 3 storey blocks have lifts and several of the two bedroom apartments have two bathrooms. All apartments have a designated uncovered parking and granite worktops in the kitchen and provisions for Satellite TV and security system. A 5 minute drive will take you to the Pafos castle and the beach and a 10 minute drive to the Pafos International airport. A special highlight is the Infinity 2 level communal swimming pool situated conveniently in the centre of this luxurious complex, making this a place you could enjoy as a holiday home or permanent residence.
