Description

This project is situated in a convenient and quiet location just 2 minutes from the heart of Peyeia Village. It is close to all the local amenities in the village like pubs, Cypriot style taverns, banks, supermarkets etc and also minutes away from the blue flag beach of Coral Bay. It is made up of four blocks of apartments. Block A, B and C consist of two floors of only six 1-2-bedroom apartments each whereas Block D consists of three floors of 1-2-bedroom apartments and includes under-covered parking + optional extra store-rooms. The area in front has already been established and is lower in level, which guarantees you unobstructed sea views. To complete the project, a large kidney-shaped communal swimming pool communal garden. It is a great location for those seeking a holiday home or for permanent residency.
